# Regional settlement is different

<i>figures rounded/approx.</i>	<b>Sydney metro</b>	<b>Illawarra region</b>	<b>New England region</b>
Population	+5 million	300,000	213,000
Square kms	12,000	5,800	186,000
People p/sq km	440	50	1.1

Population density, service density, distance

# Pathways to regional settlement

# Settlement workers in regional context

- Educating mainstream services
- Educating & connecting with host community
- Triaging and referring to mainstream services
- Higher levels of client support due to lack of local multicultural infrastructure

# Partnership, collaboration, education

# Regional settlement in practice
